- 40/20** **Declarations of interest:** None

- 42/20** **To receive a report from Cllr Devine (Wiltshire Council: Winterslow Division):** Cllr Devine didn't attend
- 43/20** **NDP:** Alan Bannister delivered an update on next steps. Key points:
- National Policy is: no NDP Referendum will take place across the country before next Spring. We would be in a queue presumably.
 - AB would still hope to deliver our final offer for Reg 16 asap (Sept?) and leave the process to TVBC.
 - Other factors have a direct or indirect impact on the process such as:
 - Changing government policy for house building across the country
 - Will NPPF be altered/eased to accommodate the post-recession and lockdown plan?
 - Climate change and the economy
 - The Refined Issues and Options for the next Local Plan (TVBC). PC comments due by end of August)
 - West Dean Housing Need Survey. Is it appropriate?
 - Planning Application (s) for development in the Hampshire (TVBC) part of West Dean Village e.g. Glebe Farm (approved and sold to developer) which is against draft NDP/PC recommendation.
 - Clarity (or lack of it) concerning downsizing requirements of current residents as opposed to affordable housing with its specific meaning.
 - AB wants to hand over to someone else by end Sept 2020 the responsibility for progressing with the NDP, while still maintaining all the history and willing to continue in an advisory capacity/keeper of the story so far.
 - AB can in August with necessary support prepare a final offer to be presented at next PC meetings in Sept. I will take the same line at WT PC next week.

On behalf of WDPC JH expressed her thanks to AB for his generous offer and for the 1000s of hours he's worked over a long period. This was echoed by all councillors.
